

COLOR OF EDUCATION

### **Dr. Patricia Hilliard**

Dr. Patricia Hilliard serves as a Research Scholar at the Friday Institute for Educational Innovation at North Carolina State University. She works with school districts to design, develop and deliver professional learning for teachers, administrators, and instructional support staff. Dr. Hilliard led the NC Conference for Educational Equity which brought together more than 2,000 educators. She has been a high school teacher, university instructor, lead instructor and instructional coach. Additionally, Patricia has presented at numerous conferences and written several blogs for Edutopia and Digital Learning Collaborative. Connect with her on Twitter [@HilliardPhD](#).
